5. The new training year was started on 1 December 1953. Basic infantry training including field training up to company level was given. The mortar unit practised the construction of emplacements and gun displacement up to platoon level. On 1 December, the first practice alert was conducted by the 3rd battalion. The unit fell in within 25 minutes. The second alert took place on 15 December.

25X1	Comment. The report confirms the 3rd Motz Rifle Regiment of th	he Division
	Erfurt in Gera. The same type of training activities and practice al	lerts were
	also observed with other KVP units in December 1953.
